

Dealing with Losing

1. Say to yourself: "It's only a game, there will be other games."

2. Remember, although you lost the game, you can win a friendship (which is more important) if you show good sportsmanship.

3. To show good sportsmanship, you should tell the other person:

"Congratulations"

"Good game"

"You played a good game"

4. Shake the other person's hand and help him or her put away the game or materials.
