

HOME SCHOOL STUDENT EDUCATION RECORDS

The information contained below shall serve as the LBL Home School Program's annual notice to parents of minors and eligible students (18 and older) of their rights, and the location of educational records.

"Parent" means a parent of a student and includes a natural parent, a guardian, an individual authorized in writing to act as a parent in the absence of a parent or a guardian, or a surrogate parent appointed to represent a student with disabilities. *

"Eligible student" means a student who has reached 18 years of age, or a student who is attending only an institution of postsecondary education and is not enrolled in a secondary school.

"Education records" means those records that are directly related to a student and maintained by an educational agency or institution or by a party acting for the agency or institution. A student's education records are confidential and protected from unauthorized inspection or use. All access and release of education records with and without parent and eligible student notice and consent will comply with state and federal laws. Records are maintained at Linn Benton Lincoln Education Service District.

Parent(s) or eligible student has a right to:

1. Inspect and review the student's education records;
2. Request the amendment of the student's education records to ensure that they are not inaccurate, misleading or otherwise in violation of the student's privacy or other rights;
3. Consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that the applicable state or federal law authorizes disclosure without consent;
4. Pursuant to Oregon Administrative Rule 581-21-410, file with the United States Department of Education a complaint under 34 CFR, Section 99.64 concerning alleged failures by the district to comply with the requirements of federal law; and

Parent or eligible student shall comply with the following procedure to inspect and review a student's education record

1. Provide a written, dated request to inspect student's education record
2. Shall specify the records to be inspected
3. Provide a written, dated and signed statement that person(s) making the request has a right to that information under Oregon law.

By Oregon law, both parents (whether married, separated, or divorced) have access to the records of a student who is under 18 unless the educational agency is provided evidence that there is a court order, state statute or legally binding document relating to such matters as divorce, separation, or custody that specifically revokes these rights.
