

Want To Do Summer Or Year-round Tutoring For Home School Students?

The Linn Benton Lincoln Education Service District Home School Program compiles a tutor list each year as a referral source for parents. The list is posted on our Web site, and includes local educators that parents may call to provide tutoring for any subject. The parents and the tutor decide arrangements such as time, place, and hourly tutoring fee.

If you are a certified or non-certified person who is interested in being included in the tutor list, please complete and return form below by mail or fax (541) 926-6047, **or** e-mail the information to homeschool@lblesd.k12.or.us.

If you have any questions, please contact the Home School office at (541) 812-2687.
