

Use of Feature Films/Videos in the School**

Prior to showing a feature film/video in a school, the instructor must seek the written approval of the principal. At least five days prior to the showing, the instructor shall submit to the principal (in writing) the following information on the particular film:

1. Title and brief description;
2. Purpose for the showing;
3. Match with course objectives;
4. Proposed date of showing;
5. When and how parents will be notified, or if necessary grant consent;
6. Audience rating (G, PG, PG-13).

The showing of all feature films/videos with a G rating requires only prior parent (or parent representative) notification from the instructor, who will summarize in writing the information in the above points 1., 2., 4. and 6.

Additionally, for feature films/videos with a PG or PG-13 rating, prior parent (or parent representative) consent will be required before a student views the film.

Instructors are required to preview all film media before showing to students.

Only films/videos rated G, PG or PG-13 may be shown as part of the school program. A parent (or parent representative) may have the opportunity to preview a film when practicably possible and that parent (or parent representative) must give prior consent before his/her student may view a film rated PG or PG-13.

Edited or unrated films/videos will be shown at the discretion of the administrator.

Parent (or parent representative) notification for the showing of G movies at the secondary level will be at the discretion of the administrator.
