Student Conduct in ESD Vehicles or Private Vehicles

Students who ride in transportation provided by the ESD for ESD-sponsored programs and activities will be notified of the rules and regulations governing their conduct on ESD vehicles or on private vehicles driven by ESD staff for ESD purposes. Students will also be notified of the consequences for violation of those rules, including the loss of transportation privileges.

Transportation administrators and drivers of ESD vehicles or private vehicles for ESD purposes will be notified of students having special medical or behavioral protocols in student records. Drivers will receive appropriate training to deal with these protocols, including the need for awareness of confidentiality requirements.
