Public Solicitation in ESD Facilities

Fund-raising for non-ESD activities on ESD property during ESD hours will not be permitted without prior approval of the Superintendent or designee.

Demonstrations and canvassing of students or any ESD employee for the purpose of selling products or services shall not be permitted on ESD property, unless authorized by the Superintendent or designee.

No non-ESD-sponsored organization or individual may solicit funds or sell products or services within the ESD without first securing permission through the Superintendent or designee.

Solicitation will be permitted as authorized only in designated areas and in no circumstance will such solicitation be allowed to interrupt employee work or student classroom time.

Authorized solicitations shall be made only at a time, place, and in a manner that will not interfere with the daily activities of the ESD. Permission under this policy may be withdrawn at any time in the sole discretion of the Superintendent. The Superintendent may develop administrative regulations for the implementation of this policy, including approval process procedures and the establishment of a fee schedule as deemed appropriate.

The ESD will not participate in any fundraising drive that is inconsistent with Board policy.
