Board Member Removal from Office

The Board shall declare the office of a director vacant when the incumbent:

1. Dies or resigns;
2. Ceases to be a resident of a school district that is located within the territory of the education service district;
3. Ceases to discharge the duties of office for two consecutive months unless prevented from discharging the duties by sickness or unavoidable cause;
4. Is removed from office or a court declares the election for the office void;
5. Has been recalled from office by ESD voters;
6. Is elected by zone and moves from the zone to which he/she was elected. When the incumbent has been nominated from a zone and changes permanent residence from one zone to another zone in which another director resides, the incumbent shall continue to serve as director until the next regular election when a successor shall be elected to serve for the remainder of the unexpired term.

The Board may not declare the office of a director vacant if the director is a resident of a school district that withdraws from the education service district, unless the director's term expires or the Board declares the office vacant for a reason described in items 1 through 6 above.

Vacancies will be filled through appointment by the Board unless a majority of the positions are vacant at the same time. In that case, vacancies will be filled by the State Board of Education.
