STRATEGIC PARTNERSHIPS

We're excited to invite you to our Behavioral Safety Assessment of Threat (BSAT, Level One) training; a two-day event designed to assist behavioral threat assessment teams, staff members, and community agencies in identifying risk factors, prevention strategies, and management options for violent behavior.

What to expect...

- Lunch will be provided
- Two-day, in depth training lead by Alise Mnati, of John Van Dreal Consulting
- Information that will highlight how threats of violence can be systematically investigated and how school and community attacks can be prevented when staff and community members understand threatening behavior
- The application of threat assessment concepts and research in a site-based protocol, called a Level 1, as well as the Level 1 ancillary documents
- All of the forms, directions, and protocols necessary to implement a comprehensive preventive behavioral threat assessment system
