About Our Project

Virtual Gatherings

We invite you to become a part of our **collaboration group** in which educators in like roles can come together to connect, collaborate, share resources, and learn with each other. Open to all educators in school counselor or similar roles in Linn, Benton, and Lincoln School Districts.

Google Space

Additionally, a Google Space will be created for quick connections with topics for elementary, middle and high school counselors to assist you in the scope of your day-to-day work.
